

WAGONER PARROTHEADS

CAGE LINER

Season 28
Episode 2

WHEN LAST WE MET -

As usual, a great time was had by all in attendance of the January Parrothead meeting. Again, there was great food, great and abundant drink and a great amount of laughter and frivolity. Seems like a recurring theme, thank God!

The Club voted to once again support the Wagoner Junior Livestock Program and all of the kids involved. Pictured below are some of the kids and several Parrotheads.

NEXT MEETING -

WEATHER PERMITTING,

Friday, February 21st, 7:00ish pm, at the home of the Farmers', 33240 Long Bay Road, Taylor Ferry. We will be discussing upcoming events; the annual Spring Highway Clean Up and meeting/fish fry and, of course the 28th annual Wagoner Parrothead Charity Golf Tournament. So let's gather up and through our 2 cents worth in.

Also, if you know someone who you think could tolerate, or even enjoy this madness, please invite them to the next meeting! If we don't scare them off, we might could talk them into joining such organized chaos.

MEMBERSHIP DUES -

If you haven't had the opportunity to pay your membership dues, please do so. You can bring a check, money order, cash, or a good young goat to the next meeting. Or there are electronic ways to pay via Paypal. You can contact our club treasurer, Jenny Mae Harris at 918-688-2805 for information. Membership dues for 2025 are a whopping \$25.00 per person or \$50.00 per couple. Mighty cheap for all of the entertainment to be had in this cluster.

AS ALWAYS, YES, THERE WILL BE SHENANIGANS!

As always, please bring a dish or snackies, your favorite beverage(s) and a smile. Hope to see eerbody there!

Salty & Rita say,

PHINS UP EERBODY!

TO DATE -

Since the 27th annual Wagoner Parrothead Charity Golf Tournament, this group of misfits, scoundrels, pirates and wenches have contributed \$10,540.00 to some very worthy organizations. Hopefully, these funds can be a great help to kids, veterans and people in need.

Just a group of people trying to leave this place a little bit better than we found it..

As Doctor Robyn said, "Hell, we're good people!"

Me thinks Jimmy would be smiling.

MEMBERSHIP INFORMATION -

We are needing to update our membership contact information. We will have the 2024 membership list available at the next meeting to make any necessary corrections. We can keep eerbody up to date about member's birthdays, anniversaries, root canals and colonoscopies, and other such fun events!
